CURRICULUM VITAE

Tobias Hoffknecht was born in Bochum in 1987 and now he lives and works in Düsseldorf, Germany

He attended the Kunstakademie, of Düsseldorf, where he got a MFA.

His works come from a study of the material form and the way in which we build the world we live in.

The process the bring his works to be made has its start point in the digital universe and this aspect of his poetry is something that we can find in the visual apparence of his results..
